

**To:** Hristo Barutchiev  
President, Foundation Future for children in the world (FFCW)

**From:** Andrew Blinow  
General Director, Chromis LLC

**Ref. №** 11-19/01

**Date:** March 12<sup>th</sup>, 2021

Dear Hristo Barutchiev,

We, Chromis LLC, a company established under the laws of the Russian Federation and represented by General Director, Andrey Blinow, hereby confirm that the Foundation Future for children in the world, established under the laws of the Republic of Bulgaria and represented by the President of the Foundation, Hristo Barutchiev, is authorized to negotiate on an innovative drug Avifavir (INN Favipiravir) and vaccines against coronavirus infections COVID 19 representing the interests of Chromis LLC in order to attract potential partners on the territories of Africa, Asia and Latin America.

Chromis LLC is a joint venture between the ChemRar Group and the Russian Direct Investment Fund (RDIF, the sovereign wealth fund of the Russian Federation), developer and holder of the Market Authorization and IP- rights for the drug Avifavir (INN Favipiravir) and vaccines for the treatment of the new coronavirus infection COVID-19. The drug Avifavir is the result of scientific research by Russian scientists as a response to the challenges posed to society with the onset of the COVID-19 pandemic.

Thank you for your interest in the activities of our company. We are looking forward to fruitful cooperation with your Foundation.

Very best regards,

A. Blinow  
General Director  
Chromis LLC
